To Whom It May Concern:

I am writing to request information relating to the application from the New York State Thruway Authority to the New York State Environmental Facility Corporation for Clean Water State Revolving Fund loans (project number 7387-01-00) pursuant to the United States Freedom of Information Act, Title 5 of the United States Code, Section 552.

Specifically, please provide the following:

1. Any and all correspondence between the United States Environmental Protection Agency and the New York State Environmental Facilities Facility Corporation, along with any dates, times, locations, and participants in any meetings between EFC and EPA relating to the application.
2. Any and all correspondence between the United States Environmental Protection Agency and the New York State Thruway Authority, along with any dates, times, locations, and participants in any meetings between NYSTA and EPA relating to the application.

If access to any requested records is denied pursuant to Title 5 of the United States Code, Section 552, please notify me, in writing, of the ground(s) for such denial of access for each record withheld.

This request covers both paper and electronic records; Environmental Advocates would appreciate receiving records in electronic format, including scanned copies of paper records, whenever possible. Please note that Environmental Advocates is a (c)(3) not-for-profit corporation, and the records will be used in the public interest. Therefore, we respectfully request the waiver of any fees associated with this request. If fees will not be waived, please inform me of any fees before filing the request.
